Conference Venue:

The conference will be held in Čačak, Serbia, at the Faculty of Technical Sciences, Svetog Save 65, from 18th to 19th July, 2019.

About the Conference

The conference will be organized as an International scientific gathering within the 52nd Congress of the International League of Esperanto-Speaking Teachers (ILEI – Internacia Ligo de Esperantistaj Instruistoj), which will take place at the same venue from 13th to 20th July, 2019. The aim of the conference is to get together scholars and researchers from all over the world and provide a possibility for exchanging their experience and research interests in the field of computer assisted education. Given that the UN declared 2019 The International Year of Indigenous Languages, Web-based language learning and virtual communities of indigenous languages will be the subject of attention among the topics of the conference including the international community of Esperanto-speakers as a special virtual community.
